Conference, Commission, Committee Chair Guidelines

1. Communicate with your committee members. Set expectations and goals and solicit input from members.
2. If you need more members to accomplish your goals, check with the President or recruit more members yourself. You will receive a list from the VP of Membership on members who have designated your committee as an area of interest for volunteering within 30 days after membership renewals are received and after each conference. A follow-up by letter or phone within 30 days by you is expected.
3. Organize the committee as an effective tool of the Association. Try to give all committee members assigned tasks and keep them involved. Allow committee members to demonstrate their talents and energies.
4. Periodically, summarize committee goals and projects for the newsletter. We need to inform the general membership about all aspects of TACUSPA.
5. Prepare quarterly written reports for the Board of Directors prior to the mid-year Board meeting and the Annual Conference and as requested by your supervising officer. (See Appendix B.)
6. Check with the Board of Directors regarding your budget and needs. TACUSPA relies on the generosity of the committee chair's host institution for phone calls, small mailings, etc., although the Association may reimburse you for major expenses which must be **approved in advance**.
7. Check with your predecessor for notebooks and files which may be helpful.
8. Keep records throughout the year then pass them on to the chair of the committee for the next year within one month after vacating the position. Please indicate where you and/or your committee are in reaching your goals.
9. If you have materials which are no longer relevant to the work of the committee, please catalog these materials and send them to the secretary. The secretary will select appropriate items for the archives.
10. You should sign all Association correspondence with your TACUSPA title, not your professional, institutional title.
11. All special publications or printing needs should be cleared through the President or designee to ensure consistency with other Association projects.
12. Committee chairs shall respond to and help in identifying current issues needing attention by the committee and/or the Association.

13. The chair will supervise the flow of information through the committee.
14. Submission of the final report, within one month of completion of your annual duties or by September 1 is the responsibility of the chair.
15. Attendance at Board of Directors meetings is encouraged and is expected when necessary.
16. Committee reports are expected for each Board of Directors meeting and may be submitted to the President for incorporation into the agenda and distribution.
17. Commission and committee chairs are expected to file an Acceptance Agreement for Volunteer Leadership form with the president (See Appendix A).

VOLUNTEER APPOINTMENTS

Appointments of all chairs and members of ad hoc and standing committees determined appropriate to carry out the purposes of the Association shall be guided by the following requirements and procedures:

1. All persons serving on committees shall be members of good standing within TACUSPA.
2. No elected officer of TACUSPA may serve in an appointed volunteer role.
3. All committee chairs shall be appointed by the President, subject to approval by the Board of Directors. Committee chairs are appointed by the incoming President for one year but may be eligible for reappointment if the incoming president deems reappointment in the best interest of TACUSPA. Leadership positions should be spread out across the state and different institutions. The incoming president will consider the balance of leadership roles prior to making appointments.
4. Committee members are appointed by the chair for one year but may be eligible for reappointment.
5. The Association will extend an open invitation to solicit committee chairs and members prior to the annual Fall Conference.
6. The President may ask each chair if they wish and are willing to serve again. In case they are not, the chair may provide the president with recommendations of active members to serve as chair. The president shall take this list, along with personal recommendations, and make appointments. All appointments are subject to approval by the Board of Directors.
7. All appointments shall be made before the annual Fall Conference. This process will permit the Board of Directors to approve all appointments and will also allow for the placement of additional committee members who volunteer their service at the conferences.
8. Newly appointed committee members attending the annual Fall Conference should be invited to attend the fall committee meeting of the outgoing committee.
9. Committee chairs shall submit signed volunteer agreement forms (See Appendix A) by November 1, and submit specific goals and objectives of the committee. These goals would be in addition to the goals developed by the Board of Directors.
10. Present or sponsor conference interest sessions relating to commission or committee issues.

8. Additional initiatives that require funding must be approved by the Board of Directors in advance of the launch of the initiative.

Investment Policy

Management of invested funds attempts to maximize the return of investments, consistent with an appropriate level of risk and subject to generation of adequate current income. The Board of Directors will review the utilization of the investment and reserve monies on an annual basis at the August board meetings.

Money Handling Procedures

1. The Treasurer will handle all income unless pre-approved by the President and Treasurer. One person should be designated to handle all registrations and reconciliations for each business function processing income (ex. conference, membership, foundation, etc.).
 - a. Once approved, any funds received by anyone other than the Treasurer must be mailed (certified mail/return receipt) to the TACUSPA Treasurer within fourteen (14) business days. An e-mail should be sent to the Treasurer when a packet has been mailed. If a great deal of money has been collected, mailings can take place more frequently. Mail to address of TACUSPA Treasurer.
2. As money is received by the Treasurer, it should be deposited and recorded within 14 business days.
 - a. The Treasurer should notify the appropriate officer/chair when funds are received. Itemized information should be included in the notification including name of purchaser, amount of funds received and purpose of payment.
 - b. Any documentation received by the Treasurer such as copies of the membership or registration form should be mailed to the respective officer/chair. The Treasurer will communicate with the appropriate officer/chair regarding payments posted in the checking account.
 - c. Purchase orders will be held as pending registration/membership until check is received. Purchase orders may not be accepted for sponsorship.
3. The respective officer/chair should follow up with any persons, institutions or vendors who do not submit payment by the agreed upon date.

Credit Card Payments

1. All credit card transactions occur utilizing an on-line, secure site administered through Bank of America and Authorize.net. Verification of each transaction is sent to the TACUSPA Treasurer electronically. The total amount charged each day posts to the TACUSPA checking account within 48-72 hours. Treasurer is responsible for documenting postings on current financial software used by TACUSPA.
2. Credit card information should not be collected or stored by Treasurer or any TACUSPA representative. Exceptions may include processing a credit card transaction over the phone or in person due to technical difficulties or timeliness issues.

How to Complete a Credit Card Purchase

A request for payment form must be completed, signed and sent to the cardholder prior to processing a credit card transaction.

For in-store purchases, the cardholder must present the Credit Card to the vendor. For other purchases, the cardholder can provide their name, credit card number and expiration date via phone to the vendor. You may also be required to provide the three digit security code found on the back of the credit card. Bank of America typically pays the vendor within 24-48 hours of a Credit Card purchase.

The following shipping information must be provided to the vendor:

- Name and Title of the person receiving the merchandise
- University and Department name

- Department address and location (building/room)
- Phone number

NOTE: The invoice must be mailed to:

Dr. Ashley Spicer-Runnels
Texas A&M University-San Antonio
One University Way
San Antonio, TX 78224
Ashley.Spicer-Runnels@tamusa.edu

Receiving an Order and Recording the Purchase

The receiver of merchandise must inspect all shipments promptly for accuracy in the event the order must be returned to the vendor. Most vendors have a thirty-day return policy or other carrier imposed restrictions on reporting concealed damage. After that period, you may not be able to return or replace the items at no charge and you may be assessed a restocking fee. Any issues should be reported immediately to the cardholder.

The receiver of merchandise should open the shipment and verify:

- Order was filled correctly
- All items are in good condition
- All items received are in the quantities and at the prices specified on the Credit Card receipt or the itemized packing list
- Sales tax was not charged

NOTE: Most items cannot be returned without the original packaging materials. Please retain boxes, containers, special packaging, packing slips, etc. until confirmation that the order is not being returned to the vendor. If the order is accurate, please notify the cardholder so that they may record the transaction in the Credit Card Transaction Log.

Returns, Damaged Goods and Credits

The receiver of merchandise must read any enclosed instructions carefully and is responsible for contacting the vendor to return incorrect, duplicate, or damaged merchandise purchased with a Credit Card.

NOTE: Often a customer service telephone number and other instructions are included on the packing slip and/or receipt for returns.

Many vendors require a Return Authorization Number or Return Service Authorization before accepting a return. Failure to obtain the required return authorization from the vendor may result in the return not being accepted and/or being credited back to the Credit Card.

In some cases, there may be a restocking fee. If the vendor is responsible for the problem, the cardholder should not have to pay this or any other fee.

NOTE: Cash or gift cards may not be accepted in lieu of a credit to the Credit Card

Lost, Stolen or Damaged Credit Cards

The cardholder must immediately report lost or stolen cards by calling Bank of America at 800-432-1000. The cardholder must also notify the designated reviewer and President immediately, or at the

start of the next business day if the loss/theft is discovered or occurs outside of normal business hours.

The Credit Card may be cancelled for any of the following reasons:

- Cardholder no longer requires a Credit Card
- Cardholder no longer holds the Treasurer Board of Directors position in TACUSPA
- Credit Card is damaged/lost/stolen
- Inappropriate use of the Credit Card

Disputed, Declined or Fraudulent Transactions

The cardholder must contact the vendor to dispute discrepancies on the memo statement, such as charges for items not received, incorrect pricing or duplicate billing. If the discrepancy is resolved, the cardholder must verify that the correction has been completed when the next statement arrives. If the discrepancy is not resolved, the cardholder must submit a credit card dispute through Bank of America. Timely notification by the cardholder is important. Most transactions must be disputed within 60 days of the date of the statement in which the error appeared.

There are three ways to submit credit card disputes:

- Online – log in to Online Banking and go to the Information & Services tab for your account.
- Phone – Call 866-266-0212. Calling does not preserve your billing rights under the Fair Credit Billing Act; however BOA will investigate the dispute in the same manner.
- Mail – contact BOA in writing to:
 - Attn: Billing Inquiries
PO Box 982234
El Paso, Texas 79998-2234
 - Add Your name, Account number, dollar amount of the suspected error, posting date and description/explanation of error and why you believe there is an error

Many times a single unauthorized charge is found to be a merchant error. The cardholder should contact the merchant, which might resolve the error quickly. However, if the cardholder suspects that the credit card number is being fraudulently used, call customer service at 800-427-2449 as soon as possible.

Foundation

1. For Foundation donations and silent auction income there will be one receipt book designated for checks and cash that should be obtained from the Treasurer. Receipts should be written in sequential order and copies distributed.
2. White- given to customer
3. Yellow- attach to cash/check and place in a secured place
4. Pink- stays in book
5. All credit card transactions should adhere to the credit card policy mentioned above.
6. As money is received, it should be recorded on the Foundation Payment Log which can be obtained from the Treasurer.
 - a. This log should be completed and submitted along with the income collected to the Treasurer at the conclusion of the Fall Conference or be mailed (certified mail/return receipt) to the TACUSPA Treasurer within fourteen (14) business days. An e-mail should be sent to the Treasurer when a packet has been mailed. If a great

deal of money has been collected, mailings can take place more frequently. Mail to the address of TACUSPA Treasurer.

- b. It is the responsibility of the Foundation Chair to reconcile donor rosters and fundraiser sales with the payment log(s) and in the website management system once notification of payment has been received from the Treasurer. The Foundation Chair should send a donation letter to each person that has contributed to the Foundation. For donations in the amount of \$250 or more, this is required for tax purposes.
- c. It is the responsibility of the respective officer/chair to keep a master list of all donors and payments received.

Conference Money Handling Procedures

1. One person should be designated to reconcile all conference income. Because it is important that the Conference Chair and Registration Chair work closely to avoid budget mishaps, Registration Chairs should be located on the same campus as the Conference Chair.
2. All monies collected must be mailed (certified mail/return receipt) to the TACUSPA Treasurer within five (5) business days. An e-mail should be sent to the Treasurer when a packet has been mailed. If a great deal of money has been collected, mailings can take place more frequently. Mail to address of TACUSPA Treasurer
3. All financial exchanges are documented in Quicken. Each transaction includes detailed information related to the amount, source of payment, and specific budget within the organization. This log is updated by the Treasurer.
4. Copies of the membership or registration form for each payment received should be mailed along with the deposit. Forms listing a Purchase Order should not be mailed until payment is received. They are registered until we receive a check.
5. Any registrations utilizing a credit card for payment should be included on the Conference Payment Log. The Treasurer will communicate with the Registration Chair regarding payments posted in checking account and the timely mailing of conference receipts.
6. All deposit mailings should cease 10 days prior to the conference. Any payments received after that time can be submitted to the Treasurer at the conference.
7. It is the responsibility of the Conference Registration Chair to keep a master list of all registrants and payments mailed to the TACUSPA Treasurer. The Registration Chair should follow up with institutions utilizing Purchase Orders who do not submit payment prior to or at the conference.
8. Conference registration discounts and waivers are not allowed unless approved in advance by the Board of Directors. Discounts/waivers must be approved by the Board of Directors in advance of the conference. All presenters and conference volunteers must pay conference registration fees and related expenses in full except upon pre-approved Board of Directors authorization.
9. Non-members must pay the conference registration fee + membership fee (at minimum) to participate.
10. Graduate Student Scholarships and Fellowships: refer to grad/fellowship section.
11. Conference evaluations and final conference budget will be presented to the Board of Directors no later than the first in-person Board meeting following the conference or the February Board meeting. The Treasurer and Director of Assessment will present the reports.

12. The Board of Directors may offer free Fall Conference registration to at least one faculty member from each student affairs or higher education program in Texas. The Board of Directors is charged with discussing the number and source of funding and method for selecting the free faculty registration program in advance of the conference.

Board Meetings

In-Person Meetings

The Board of Directors and invited guests will meet in-person up to 4 times per year: first day of the Fall Conference (current and incoming Directors), last day of the Fall Conference (current Directors), early spring (at next Fall Conference hotel), and late spring/early summer (at a convenient location for attendees). Generally speaking, invited guests are the Fellows, conference chairs, and a Foundation representative. Others may be invited as deemed necessary by the President, budget permitting.

Lodging

TACUSPA will pay for 1 hotel night for 1 mid-year meeting of the board and invited guests of the board and 1 additional in-person meeting in late spring/early summer as is financially feasible in the budgeting process. The President will make lodging arrangements and notify board members no less than 45 days prior to the scheduled date if TACUSPA is unable to cover the expense. Board members should be prepared to cover the expense if TACUSPA is unable.

Officer Transitions

Once elections are completed, incoming Officers are to be invited to call in to monthly Board Meetings as non-voting participants. Prior to Fall Conference, outgoing officers will establish at least one transition meeting with their successor. Additional transition meetings may be required and should be held with the intent of ensuring the incoming Director is familiar with their new responsibilities, status of in-progress and upcoming projects, and access to other relevant information. The outgoing Director will provide the new Director with any physical items created/needed for the position, such as binders, jump drives, paper records, etc.

During the post-Fall Conference Board Meeting, the President should designate time to review, including but not limited to, key Association policies, goals, and expectations with the current Board Members.

Conference Policy

1. The Fall Conference shall be held annually (traditionally in October). The Fall Conference will rotate between major metropolitan areas in the following order: Dallas/Fort Worth, Houston, San Antonio, and Austin.
2. During the in-person Board of Directors meeting each spring, the Past-President will present for approval the proposed conference location and budget for the next city in the rotation cycle.
3. Conferences will be self-supporting unless otherwise agreed upon, in advance, by the Board of Directors.
4. Complimentary rooms shall be assigned first to conference guest speakers. If there are additional complimentary rooms available, rooms should be offered next to the conference chairs.
5. Personal expenses incurred by the person(s) using the complimentary room(s) will be the responsibility of that person. Any conference related expenses can be paid from the conference budget with the chair's advance approval.

6. The Association should seek sponsors for conference receptions and other events as much as possible.
7. The conference committee is responsible for conference registration – both advance and on-site. The Treasurer handles all registration money. Conference registration monies should not be deposited in local or university established accounts. The conference chair should establish, with the Treasurer, a money transfer schedule and utilize the money handling procedures outlined in this manual.
8. The conference registration fee is 100% refundable if the refund request is received or postmarked ten (10) calendar days prior to the conference.
9. Different registration fees will be charged.
 - A. Non-members will be charged more than members for conferences; the difference in cost will include, at minimum, annual dues.
 - B. Advance registrants will have a lower conference fee rate than those who register on or after the designated date.
10. The amount of speaker honoraria and travel expenses included in the conference budget shall be determined by the chairperson and approved by the Board of Directors.
11. All presenters, including TACUSPA members, must pay conference registration fees and related expenses in full except upon pre-approved Board of Directors authorization.
12. All conference expenses must be submitted to the Treasurer by November 15.

Listserv Policy

In the event TACUSPA operates a moderated listserv, the intent of the TACUSPA listserv is to provide a useful and informative means of communicating with members regarding organizational business, issues in student affairs, and opportunities for professional development. Members are automatically subscribed after submitting their membership form and dues. Members may request to be unsubscribed to the listserv at any time.

1. TACUSPA is not responsible for the opinions and information posted on the listserv; postings represent the viewpoint of the writer and are not endorsed by the TACUSPA. Anonymous postings are prohibited.
2. Sexual harassment; use of defamatory language; dissemination of materials in violation of copyright and other intellectual property laws; and other illegal activities are prohibited.
3. The federal law providing for TACUSPA's tax-exempt status forbids the use of TACUSPA resources or facilities in any way that would even appear to support or oppose such a political candidate. Use of this listserv for any communication that could be construed in any way as support for or opposition to any candidate for a federal, state or local public office is prohibited. Use of this listserv for endorsement of candidates in a TACUSPA election, or for other TACUSPA-related electioneering, is prohibited.
4. Posting of any commercial material, or contacting any member to advertise, sell, or solicit or otherwise promote any commercial product or service, is prohibited, as doing so could jeopardize TACUSPA's tax-exempt status.
5. Users of the listserv agree to release and indemnify TACUSPA from legal actions and penalties arising from messages they post on the listserv.

6. Because TACUSPA monitors this listserv, users of the listserv do not have a personal right of privacy in any messages in the listserv, including messages marked “privileged,” “confidential,” etc.
7. TACUSPA and/or the listserv manager reserve the right to make changes and modifications to this listserv and these disclaimers, terms, and conditions at any time for any reason. Listserv members will be notified, however, when such changes occur.
8. In the event that any violations of the rules listed above, or other activities that violate the law or jeopardize TACUSPA’s tax-exempt status, are brought to TACUSPA’s attention, TACUSPA will take appropriate action, at its discretion. TACUSPA reserves the right to terminate, without prior notice, the listserv access of any user who does not abide by this policy.

Communication Policy

The Director of Marketing will be responsible for sending out TACUSPA Updates emails no more than once per week, as well as timely emails to the TACUSPA membership as needed. Should TACUSPA Board Members or other TACUSPA members need to email the membership, they should send the information to the Director of Marketing for insertion in the TACUSPA Updates email. The Director of Technology will serve as a backup to send out emails to membership as needed. To avoid sending multiple emails to the TACUSPA membership, board members should send emails through the Director of Marketing for insertion in the TACUSPA Updates email whenever possible. Should other TACUSPA Board members need to send emails directly to membership separately from the TACUSPA Updates, they should consult with the Director of Marketing and/or the Director of Technology for assistance in gaining access to the TACUSPA email list and in utilizing existing email templates.

The TACUSPA membership email list is used to promote to the TACUSPA Membership the following:

- 1) Information regarding TACUSPA activities, including the annual conference, membership reminders and benefits, upcoming activities, election reminders, and other articles of interest to TACUSPA members.
- 2) Other professional development opportunities in the state related to higher education and student affairs.
- 3) Recent TACUSPA Job Postings.

The TACUSPA membership email list shall not be used for the following:

- 1) Sexual harassment; use of defamatory language; dissemination of materials in violation of copyright and other intellectual property laws; and other illegal activities are prohibited.
- 2) The federal law providing for TACUSPA’s tax-exempt status forbids the use of TACUSPA resources or facilities in any way that would even appear to support or oppose such a political candidate. Use of the TACUSPA email list for any communication that could be construed in any way as support for or opposition to any candidate for a federal, state or local public office is prohibited. Use of the TACUSPA email list for endorsement of candidates in a TACUSPA election, or for other TACUSPA-related electioneering, is prohibited.

- 3) Posting of any commercial material, or contacting any member to advertise, sell, or solicit or otherwise promote any commercial product or service, is prohibited, as doing so could jeopardize TACUSPA's tax-exempt status.

Graduate Student Case Study Competition

As a way of stimulating increased participation of graduate students, a Case Study Competition was introduced at the Fall 2001 TACUSPA conference. Participants of the competition are divided into teams and provided a scenario (case study) of a common issue encountered by student affairs

professionals. Students may form their own team, or be grouped with other graduate students participating in the competition. Teams are asked to present a response to the scenario before a panel of judges and prizes are awarded. The competition is open to all graduate students.

Webinars

The TACUSPA webinar series offers its membership consistent professional development and learning opportunities throughout the year. The Director of Education and Professional Development should work to appoint a chair no later than March 1. The Director of Education and Professional Development and the chair should work together to select a committee, preferably by utilizing the volunteer list, by April 1.

The webinar committee may consist of up to five (5) members that meet during the fall semester to develop a diverse programmatic listing of current effective programs and future issues facing higher education for the following year's monthly webinars scheduled for November, December, January, February, March, April, May, June, July, August, and September.

LOGO AND APPLICATION GUIDELINES

Please use and follow these guidelines when using the Texas Association of College and University Student Personnel Administrators (TACUSPA) logo. It is important to the organization to maintain a consistent and strong branding image.

Prior to going to print or production for any items containing the TACUSPA logo, please send the final draft to the Director of Marketing for review. The purpose of this review is to ensure proper logo usage in terms of size, color usage, logo placement, and to ensure that no inappropriate items will feature the logo (i.e. shot glass).

General Logo Usage

The primary version of the TACUSPA logo is the appropriate version for printed publications, newsletters, forms, and Web usage.

The TACUSPA logo must be used in its entirety. No part of the logo may be used separately. The appropriate use will include a Texas state outline, the "tacuspa" abbreviation, and the "Texas Association of College & University Student Personnel Administrators" wording. The extended name may be removed for space issues when necessary (i.e. pens or other similar, small items where the text would not be visible).

Sizing

The TACUSPA logo should be clearly readable on all publications. The suggested size for the logo is no less than 1.25" in height and 2.5" in width.

Colors

The Texas outline is red and the words 'tacuspa' are royal blue. It is acceptable to make the logo one color when necessary: all red, all blue, all black or all white. These are the only colors in which the logo should appear.

Font Usage

The font used in the logo is Century Gothic.

Social Media

Due to the small size of profile pictures in social media, the following logo has been approved for use on TACUSPA social media accounts. It should not be used on any other items without express approval by the Director of Marketing.
